

Primecore Global

About Us

Primecore Global Sp. z o.o. is a workforce outsourcing company based in Poland, providing reliable and compliant teams across Europe. We specialize in logistics, second-hand sorting, production, and welding services. All operations are A1-certified, insured, and compliant with EU regulations.

Our Services

Logistics & Warehousing – Picking, packing, palletizing, labeling.

Second-hand Sorting – Cream, Grade A/B/C sorting, baling, container loading.

Production Support – Assembly, packaging, quality control.

Welding & Industrial Works – MIG/MAG/TIG, metal structures, installation.

Cooperation Model

1. Client defines location, team size, and scope of work.
2. Primecore recruits, transports, and accommodates workers.
3. We manage A1 documentation, payroll, and insurance.
4. Client receives one monthly invoice.

Pricing Principle (LEEC)

The minimum rate equals at least the Local Employee Equivalent Cost (LEEC) — the total cost that the client would bear for a directly hired employee (including taxes and employer contributions).

Primecore Charge = LEEC + Service Fee
